

MEET THE CHARACTERS

Sheepito

(They/Them)

Imagine a carefree, mischievous Andalusian sheep with a zest for life and an unquenchable love for naps. Sheepito is not just any sheep; they are inspired by a beloved stuffed animal won at the vibrant feria (fair) in a beachside frontier town in La Línea, Spain.

With their laid-back attitude and penchant for stirring up light-hearted trouble, Sheepito is here to remind us to take a breather, relax, and find joy in the simple pleasures of life.

Sunny Sun Dog

(He/Him)

Sunny Sun Dog is the embodiment of resilience and joy, inspired by our cherished furry friend (a rescue dog) who brought love and laughter for 14 wonderful years. Full of personality, Sunny was a complex soul with a deep emotional capacity, a love for playful mischief, an obsession for chicken and a fear of water!

Sunny's journey teaches us that even after the darkest times, love has the power to heal, and joy can be found again. His story reminds us to cherish the moments of light, no matter how small, and to never give up on the possibility of happiness.
